Governor Christie 10 day Campaign

The Fenimore Landfill failed solar project was started under Governor Christie's watch. The NJDEP and NJDOH are under the Governor's control and the Governor has the power to correct this disaster. However, Governor Christie is trying to bury his mistakes in the landfill and move on without regard for the people's wishes and what is best for public health, the community, and the environment. NOW is the time to do something before the permanent cap is installed.

- Day 1: 5/13 **Township Council Meeting:** Wear a REACT Tee Shirt or Roxbury Colors. REACT will provide free t-shirts as well as flyers to promote the 5-21-14 event. Be prepared to speak from the heart on how Fenimore has affected you. We need council to support us!
- Day 2: 5/14 **Call Campaign to Gov. Chris Christie:** Call our governor to let him know how you feel about the Fenimore Landfill, NJDEP and NJDOH and remind him that this has happened under HIS watch! Governor's phone number is 609-292-6000.
- Day 3: 5/15 **Highlands Council Meeting & Rally:** 100 North Road in Chester Twp. Arrive at 3:00pm wearing REACT shirts or Roxbury Colors for the rally. Meeting starts at 4:00.
- Day 4: 5/16 **Friday Family Fun Night:** Order a pizza from a local pizzeria and create posters/signs at home for REACT's meeting with Lois Gibbs on May 21st.
- Day 5: 5/17 **Raise Awareness Day:** Goal: Share your feelings and thoughts with 3 people that may not know what is happening at the landfill and Roxbury. Spread awareness to others and you may use the fact sheet located on the fenimorelandfill.com website.
- Day 6: 5/18 **Prayer Service and/or candle light:** Meet at Landfill gate for a prayer service and possibly line the area with candle/glow sticks or flashlights. Time to be determined.
- Day 7: 5/19 **Write Letters to the Editor:** Let the Editors' know that this landfill tragedy happened under Gov. Christie's watch. Editor's addresses are found via the Contact List menu button on fenimorelandfill.com. Open PDF and look for press/media.
- Day 8: 5/20 **Send Complaints to U.S. Department of Justice Citizens Complaint Form.** Call for an investigation of Governor Christie. Links will be added to website and newsletter.
- Day 9: 5/21 Join us for **A Night of Inspiration** with Lois Gibbs @ Horseshoe Lake Senior Center at 7:00pm.
- Day 10: 5/22 Write and Call the **Senate and Assembly Environmental Committees.**
More details to come....
