Presents

“A Night of Inspiration”

Lois Gibbs

American Environmental Activist

- Lois led her community in a battle against local, state, and federal governments in what is known as **Love Canal**
- Lois’s efforts led to the creation of the **U.S. Environmental Protection Agency’s Comprehensive Environmental Response, Compensation and Liability Act, or Superfund**, which is used to locate and clean up toxic waste sites throughout the U.S.A.
- Awarded the **Goldman Environmental Prize** in 1990
- Awarded The 5th Annual **Heinz Award** in the Environment (1999)
- Executive Director: Center for Health, Environment, & Justice
